SKILLS & SLOTS

Privacy Policy

Last updated: October 2026

This Privacy Policy explains how Skills & Slots ("we", "us") collects, uses and shares personal information when you use www.skillsandslots.com (the "Site"). By using the Site you agree to this Policy.

1. Our role

Skills & Slots acts as a marketing agent for independent third-party game providers (the "Game Providers"). The Game Providers operate the games, the platforms and the player accounts, and they decide how game, balance, verification and redemption data is used. For that data, the Game Provider acts as the controller and Skills & Slots collects and handles it on the Game Provider's behalf. Skills & Slots is the controller only for the data it uses to run and market the Site itself.

2. Information collected

- **Account and contact data:** name, username, email, phone, date of birth, address.
- **Verification data:** ID documents, selfies, proof of address and source-of-funds information requested by the Game Providers.
- **Payment data:** cryptocurrency wallet addresses, transaction hashes and payment records. We do not store full card or bank account numbers.
- **Game and account data:** balances, play history, purchases and redemptions, as recorded by the Game Providers.
- **Technical data:** IP address, device and browser information, location derived from IP, cookies and usage data.
- **Communications:** messages you send to support.

3. How it is used

- to give you access to the Game Providers' platforms through the Site;
- to allow the Game Providers to verify your age, identity and location and to approve or refuse redemptions;
- to block access from Restricted Jurisdictions and to prevent fraud, multiple accounts and money laundering;
- to provide customer support and forward your requests and complaints to the Game Providers;
- to send service messages and, where permitted, marketing and promotions (you can unsubscribe at any time); and
- to comply with legal obligations and to protect the rights of Skills & Slots and the Game Providers.

4. Who it is shared with

- **Game Providers**, to operate the games, run verification and approve redemptions.
- **Payment processors**, to process purchases and redemptions.
- **Identity verification and fraud-prevention providers.**
- **Service providers** that host the Site, send emails and provide analytics, under confidentiality obligations.
- **Authorities**, where required by law or to protect against fraud or illegal activity.

We do not sell your personal information.

5. International transfers

The Game Providers and our service providers may be located in other countries. By using the Site you agree that your information may be transferred to and processed in those countries.

6. Retention

Information is kept for as long as your account is open and afterwards for as long as the Game Providers or the law require, including for anti-money-laundering and fraud-prevention purposes.

7. Security

We and the Game Providers use reasonable measures to protect your information. No system is completely secure, and neither Skills & Slots nor the Game Providers can guarantee the security of information sent over the internet.

8. Cookies

The Site uses cookies and similar technologies to keep you logged in, remember preferences, measure use and detect fraud. You can control cookies in your browser, but some parts of the Site may stop working.

9. Your choices and rights

You may ask to access, correct or delete your information, or object to marketing, by contacting support. Requests concerning game, verification or redemption data will be forwarded to the relevant Game Provider. Some information must be kept for legal or fraud-prevention reasons and cannot be deleted.

10. Age

The Site is only for people aged 21 or over. We do not knowingly collect information from anyone under 21, and any such account will be closed.

11. Changes

We may update this Policy by posting a new version on the Site.
